Join Us!

Join us for this discussion about what our priorities should be as we continue our efforts to revitalize the physical & social dimensions of Old North in a manner that respects the community's historic, cultural, and urban character.

Purpose:

- 1) To inform community members about Old North St. Louis Restoration Group's new 2012-2014 strategic planning effort;
- 2) To bring the community up to date on "where Old North stands" with respect to prior plans;
- 3) To engage community members in discussion about possible strategic priorities and issues to be addressed in the new plan.
